grid 2 head start pack

DON'T BUY IT!
GAME RUNS WITH A CRAPPY EMULATOR! PERMANENT LOADING LOOPS AND CRASHING! UNPLAYABLE! I WANT MY MONEY BACK!. This game has some really nice stuff going on. Nice aesthetic, responsive controls, FUN flying. What has impressed me most is how responsive and quick the dev is to fix bugs. At its price, you can't go wrong with this game. If you have an issue, tell the dev and it will likely be fixed within the next 2 days!. I see your efforts, so I bought him, but also gradually can appreciate its charm, hoping to continue to repair BUG, to make the game experience better.. Slick production values, exellent game for the price.. Looks to be abandoned. Not worth the time, can't even make an account because the page are down, doesn't even have a good system account affiliated to steam.

Not bad at all. The potential is great. Let's hope the devs won't abandon the game and will realease full version.. A mighty attempt at keeping the series fresh, suffering from a lack of pc optimisation and testing. The 360 pad support is there, but everything else looks like it needs more work done with it. In a game about puzzles fused with speedrunning you're thinking 4 player would be an amazing idea! But then you remember it's incredibly easy to troll each other, which will happen 100 times more often than the military like precision needed to make full use of co-op speedrunning. There's a vs mode I haven't tested, but I imagine it has a lot to do with the aformentioned trolling.

Only get this if you REALLY love the series, love the character, have local friends who are more likely to work together than troll and/or it's on sale. Cute, funny, and fun.. Pulsing arrows. Nice game with beautiful handpainted graphics.. Cute game where you collect critters to battle opponents!. This Game Is Simple And All 6 Levels I have Beat Was Pretty Much The Same Level Just Harder Would NOT Play AGAIN and It is kill jet, grab ammo , and go to shack repeat not fun at all.. Good Soundtrack, overall easy to understand, and rewarding.
